

## **Pet Policy**

Well-behaved pets are welcome at the Salem Saturday Market and at the Wednesday Farmers' Market. All markets remain open to service animals. To comply with ODA health regulations, be aware that animals are not allowed inside booths selling or sampling any kind of food items, including vegetable plants and produce.

If customers do choose to bring a pet, we ask them to abide by the following rules to make a pet's visit to the market a good experience for everyone:

Dogs must be kept on a short leash.

Dogs other or pets must be on a leash, under control of the owner and accompanied by the owner at all times while at the market.

Dogs must be friendly with other dogs and children to earn the right to be at the market.

Animals must be kept away from produce, plants, and other food products.

Owners must clean up after their dog!

Owners must be considerate—not everyone loves dogs and some customers are allergic to animals.

SSM management reserves the right to ask that owners remove pets from the market.
